

Wednesday 2nd December

Good Morning!

Our word for this month is CARING. Please could you talk to your child about what caring is and how it affects your life. When people need help with their day-to-day living they often turn to their family and friends. Looking after each other is something that we do. Thank you in advance for your support

A quick reminder for your diary

Wednesday 16<sup>th</sup> December – Christmas Jumper day and Christmas Lunch – wear a festive jumper to school.

Have a lovely day  
Mrs Leggatt
