Keeping Warm

Dear Parents/Carers,

The weather is now getting really cold and due to the fact that we are trying to maintain air flow through the school to prevent the spread of Covid 19, the classrooms are really draughty and chilly. The children are allowed to wear their coats in class if they are very cold but this is not ideal for learning and not very comfortable to sit in a coat all day.

Please could I ask that pupils come to school wearing base layers or T-shirts under their school clothes to give them extra layers of insulation. Several thin layers keep us warmer than one thick layer so if you could pop on a few T-shirts or a sports type thermal base layer, this would be ideal.

Thanks so much for your continued help, support and encouragement to us as we work through this challenging period. You should all feel very proud of your children, they are amazing.

Best wishes,

Mr. Brown
