### **Barratt Homes Community Liaison**

Dear Parents/Carers,

The local Community Liaison Officer for Barratt Homes contacted us this term and has provided the following for school; 100 high-vis jackets (for children and staff when out of school on trips – hopefully we can use these sometime soon!), gardening resources and also money towards our outdoor environment. We are very grateful to them for providing this.

We have also been provided with 120 sapling Christmas trees by Barratt homes. These are brilliant for sustainability and a fantastic gardening project for small children. We have decided to give each family in Foundation/Key Stage 1 one of these saplings to look after and plant in their garden. We look forward to seeing photos of their progress!

Barratt homes have also given us some Amazon vouchers which we would like to use as prizes for a competition. For this competition we would like our children to think about what their wishes would be for 2021.

#### **'Our Wishes For 2021' competition**

Children in Key Stage 1 and Foundation can submit their entries using pictures and words.

Children in Key Stage 2 can submit their entries using words.

The closing date for this competition will be **Friday 8<sup>th</sup> January 2021**. There will be an Amazon voucher prize for the winner in each year group. Children can bring their entries into school (clearly labelled with their name and class) and give them to their class teacher.

We are very grateful to Barratt homes for their support.

Wishing you all a Happy Christmas!

Bransgore School
