13.12.2020

Dear Parent / guardian,

The process of testing and contact tracing is part of the 'new normal' as together we all strive to manage the COVID -19 pandemic as safely as possible across our communities.

At Llangennech school we follow the 'Test, Trace and Protect' guidelines carefully, self-isolating when we are requested to. As a result, we are experiencing some staffing challenges and so our junior classes will now need to work from home from Monday onwards. Please see our Blended learning timetable on our home page.

We apologise for the inconvenience that this may cause, however I'm sure you'll appreciate that we have no other option under the current circumstances. We will provide plenty of engaging work for your child to enjoy over the forthcoming days and look forward to them returning to us in January.

Many thanks for your ongoing support,

Yours faithfully,

Gary Anderson
