Spring Term Bookings

Dear Parent/Carer,

I hope this email finds you safe and well.

We would like to thank you for allowing us to take care of your child outside of school hours.

I wanted to update you about how you can book for the new school 'Spring' term.

Simply visit our website <https://www.shineclubs.com/venues-menu> and select your school, once on your school Shine Clubs page, you can then book for the session(s) that you need.

We are excited to continue offering your child the opportunity to learn through play in our popular clubs. While they have fun and benefit from our expert instruction, you can enjoy the flexibility of dropping off and collecting your child at times that are more convenient for you.

We will again be running both our popular before-school breakfast club and activity-filled after school club. In both cases you have the choice of booking a single or double session to fit in with your needs.

As always, your child can attend on individual days or you can book for a complete term: breakfast, after school or both! And you'll be leaving your child with the knowledge they are in safe, caring hands with highly-trained, qualified staff.

Booking and payment for your Shine Clubs can *only* be made online, please click on the link above to book and pay for your child's place. Spaces are limited so early booking is advised.

Wishing you and your family a happy holiday, and we look forward to seeing your child in January!
Your Sincerely,

T. Charles
