Thursday 17<sup>th</sup> December 2020

Dear parents, pupils, governors, staff and parishioners,

Wow we have made it to the end of term! We are so delighted to have reached the Christmas break with all classes having had a full term of learning. We can't thank you all enough for following the guidelines so that children and staff have stayed safe in school. I do believe it is a real achievement to have got to the holidays without a case of COVID in school – long may that continue. We hope you all have a happy and safe Christmas with your families. We thank you for your support this term and are very much looking forward to the New Year. We are ever hopeful that restrictions will lift so that we can start inviting parents back into school again when it is safe to do so.

God Bless  
Mrs Batson

### Microsoft Teams – Videos uploaded

Today we have uploaded the Reception/ KS1 Christmas Assembly and the KS2 Carols video to Microsoft Teams. To access these, you will need to login to your child's account. All usernames and passwords have been sent home. All year groups have access to the KS2 video as there are photos of all children enjoying their Christmas dinner and our whole school paper chain that we would like you to see. These videos are not public so are safe to view. We hope you enjoy them and they add a bit of Christmas cheer even though we couldn't have you all in school this year for the different celebrations.

### Back to School

Children are welcomed back to school on Tuesday 5<sup>th</sup> January. All the same routines still apply and P.E kits are still to be worn on P.E days please. No changes to the days have been made.

### Mass with Father Teddy

Father Teddy is streaming Mass through St Anne's Facebook page each weekend at 9.30am. Please take the time to watch especially during the Advent Season. <https://www.facebook.com/stanneswappenbury> The Christmas Day Mass will be live streamed via Facebook as usual at 9.30am. This will be the only Mass on Christmas Day.

### A busy final week

We have had a busy week in school with KS2 performing their Carols, a Virtual Awards Assembly today, each class watching the Pantomime as well as yesterday enjoying Christmas dinner. Here are a few snap shots of the week.
