Dear Parents/ Carers

We are fast approaching Christmas and the end of term!!

Whilst the Governing Body has not been able to meet in person we are still carrying out effective meetings virtually. We have continued to carry out all responsibilities required of us relating to Safeguarding, Finance, Health and Safety and Local Education Authority. During the start of 2021 we aim to carry out monitoring duties virtually, allowing us to continue to gather in depth view of curriculum areas. Hopefully, we will be able to resume visits in school next term but only as guidance allows.

I think we can all agree that this term has been unprecedented. So many challenging changes to which staff, parents and children have had to adapt and have done so with great success. In stark comparison with local schools we have only experienced closure of two 'bubbles' and staff were able to maintain and operate throughout. Children can now access learning through Google Classrooms should any further closures or isolations occur. We will all continue looking out for each other and staying safe.

The Governing Body would like to say a huge thank you to all our amazing staff who have continued to show great commitment and dedication to the children. Leading from the front, always prepared to adopt and embrace new ways of working.

Our sincere thanks go to all parents/carers for their ongoing support, many of who are Key Workers working through difficult times and some will be working through the holiday period. Those serving in the military may be away from families, both near and far, our thoughts and best wishes go to you and a safe return soon.

I know Friends of Tedder have had to rearrange plans for fundraising due to C-19 but we thank them for their continued support, they achieve so much united by the vision to provide events, activities and resources to benefit all the children.

If you would like to contact the Governing Body, please contact Mrs Gash who is Clerk to Governors or email her for attention of 'Governors' who will happily assist and advise as appropriate. Further information about Governing Body can be found on school website.

It just remains on behalf of the Governing Body to wish you and your families a very Merry Christmas and a Happy New Year.

Kindest regards

Cheryl Johnson  
Chair of Governors
