Really December 2020

Dear Parents/Carers,

This is our final newsletter of the year and what a year it has been. In years to come your children will be telling stories of living through the time when 'the world stood still' and we hope that their school memories will be of a happy and positive time. That, despite all of the changes, their world remained a safe and secure place to be.

Christmas Play

We hope that you have had an opportunity to watch the 'A Miracle in Town' play with your children. They were amazing and we had a lot of fun filming it. We owe a big thank you to Mr Suckling, a daddy of a reception child, who volunteered to come in and help us with filming and production. I know you will agree with us when we say he did an amazing job.

A Farewell from Mrs Harrison

I just want to thank you all for the tremendous support you have given me throughout my time at Fetcham Village Infant School. I take great pride in everything we have achieved together.

Your children are truly wonderful and I will miss every one of them.

The staff at this school are amazing and work so hard to ensure every child becomes the very best they can be. Thank you!

The Governors give up their time to support us to remain Outstanding. Thank you!

I would like to thank you for all the wonderful good wishes and generous gifts I have received for my retirement. Thank you!

I wish you all continued success under the care of our fantastic Mrs Shuman and her team.

Reminders:

Covid-19

It is very difficult to predict what the situation will be when we return to school in January. We assume, at this point, that the situation will remain the same, and therefore our protective measures remain in place.

We know that you know all of this and are very good at following the measures we have in place:

- Please use the one way systems
- Please try and arrive at your allocated time
- Please socially distance when dropping off or collecting children.
- Please do not gather in groups in the outside areas
- Please send all messages via the school office.

If you do need to approach the school entrances to speak to an adult, please wear a face covering unless you are exempt. Thank you so much for your continued cooperation.

Toys at playtime

We have had several incidents where toys have been misplaced or lost. The children are only little and get very upset when this happens, finding it difficult then to think about anything else. Therefore, we are asking that you discourage your child from bringing a toy to school.

Nuts

Please remember that we are a "nut and sesame free" school, therefore no nut/sesame or containing nut/sesame products may be brought to school.

Dates reminder:

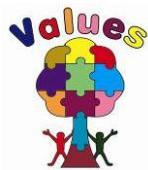

JANUARY	
Monday 4th	In-service training- school closed
Tuesday 5th	In-service training- school closed
Wednesday 6th	Spring term begins and children return

We would like to thank you all for your very kind gifts and good wishes. We hope you all have a very happy, safe Christmas and look forward to seeing you in January 2021.

Kind regards

S Harrison / C Shuman

Mrs Sharon Harrison/ Mrs Christine Shuman
