

Leigh C.E. Primary School & Leigh C.E. Nursery

18th December 2020

Dear Parents and Carers,

It has been a real pleasure to spend this magical week with the children. They are certainly well and truly in the festive spirit and have filled the school with joy each day.

On Monday, children and staff alike enjoyed taking part in our Christmas quiz. We had winning teams from all three schools which was lovely. Congratulations to Y1/2KB who were the highest scoring infant class. They enjoyed a prize of Christmas sweets and chocolates as well as a selection of new games to share in class. All children shared a delicious Christmas dinner with their teachers and friends on Wednesday which was a real treat. Our grateful thanks to Mrs France, our school cook who worked tremendously hard to prepare this.

After creating and filming our Christmas show, the children were delighted to watch it together.

They were very amused to see themselves as video stars!

For those of you who have watched the show, I am sure that you will agree that the children were fantastic. I feel really proud of their messages of joy, hope and positivity. If you haven't had chance to watch the show, please do enjoy:

Thank you to all the staff who helped the children and very special thanks to Miss Hawkins who always edits our school videos so well!

Thursday treat afternoon was a real hit with class bubbles sharing chocolate milkshake, sweets and cookies whilst watching Christmas films. After a term of tremendous hard work and effort from the children, these treats are so very well deserved.

COVID ISOLATION OVER CHRISTMAS: Please can we remind all families that when there is a positive Covid-19 test, the entire household MUST isolate. We ask that you continue to report all children's test results immediately. Over the Christmas break, this can be done using the email address below:

Can I take this opportunity once again to thank you all for your patience, support and understanding. This has been a very different term for us all but we will close for the year feeling satisfied that together we have provided our children with much care, love, learning and positivity.

We look forward to welcoming our children back on **Tuesday 5th January** but first it's time for us all to enjoy a good break. Wishing you a very happy Christmas with your wonderful children.

All our very best wishes for a happy and healthy 2021.

Keep safe and take care.

God bless,

Mrs Oxborough
