

# Sports Newsletter

Welcome to our termly Sports Newsletter. Take a look at some of the events and achievements that the children at Whittle Academy have taken part in during the Autumn Term.

## Wow for Whittle!

Across the school, all Key Stage One and Two children entered virtual competitions, in order to take part in this term's School Games events. Children were asked to run, jump, throw, catch and pass and control balls as a test of their agility and football skills. All children were brilliant and received certificates for their hard work. Our Year 2 Hummingbirds children scored such a high amount of points, that they placed **FIRST** across schools in Coventry, and won a **THIRD** place overall across Coventry, Warwickshire and Solihul! This is an incredible achievement and we are so proud of them.

## CV Life Staff

Our team of CV Life sports

coaches have put a huge amount of effort into running PE lessons and Lunchtime activities. They have ensured that children have been able to learn and practice a range of sports whilst keeping safe. Thank you, CV Life!

The children have spent lots of time enjoying our new outdoor gym equipment. Here's what they had to say:

It's a fun way to exercise and it makes our legs strong!

The gym has made Lunchtime better because there are more activities to do on the playground.

We wouldn't change the gym. We would just love even more equipment!
