Year 3	11	8
Year 4	35	4
Year 5	4	2
Year 6	10	0
	Attendance Stars Year 5	Punctuality Stars Year 6

A big improvement from years 1 and 2 this week for attendance. Let's see if Reception and Year 4 can follow suit when we return in January!

Staying safe over the holiday period...

Firstly, I would like to thank all parents and children for their responsible attitude and co-operation with the new rules that we have in place to keep everyone safe during this difficult time. Our priority is always the safety of our children and community and all decisions that are made are done with this in mind. It is vital that we keep this up throughout the holiday period and ensure that we follow the rules carefully so that we can all stay safe and be back at school together again in January .
 Have a fantastic break and take care of yourselves xx

Reminders

- School re-opens on Tuesday 5th January 2021.
- Clean PE kits and water bottles must be brought back into school on 5th January 2021.
- Children will continue to arrive and depart from the same gates at the same times in January.

The new rules

The new rules allow you to meet up inside, with up to 3 other households to make a 'Christmas bubble'.

A household means people that live together in the same house.

You can only do this between Wednesday, 23 December and Sunday, 27 December 2020.

You can only be in 1 Christmas bubble.

You cannot change your Christmas bubble.

You can only meet your Christmas bubble in:

- someone's home

- a garden

- a place of worship

A place of worship is a church, temple, synagogue or mosque.

- a public outdoor space.

Staying safe

A Christmas bubble is not completely safe

The more people you see, the more likely you are to catch or spread COVID-19.

You can spread COVID-19 even if you don't feel ill.
