Inspire to Aspire

Friday 18th December 2020

Dear Parents/Carers,

We have reached the end of another term and there has been so much amazing learning going on around school.

As a school, the staff and children have adapted so well to the regular updates in COVID guidance throughout the term and we should celebrate as a school community how we have all pulled together. Your continued support as parents/carers has helped make all the systems and routines we have put in place a lot easier. Although things are not going to change in the immediate future, I feel that the school is in a really good place to continue everything that has been started.

I personally want to thank you for making me feel so welcome at Buxted in the short space of time I have been here. It has been so lovely to be able to get to know lots of you, even if it has been through a car window! Your children are an absolute delight and I have thoroughly enjoyed being able to lead such a fantastic group of children who are enthusiastic, well-mannered and demonstrate pride in what they do.

I have always believed that things only ever happen in school when everyone is working together. I cannot thank the staff enough for their hard work and dedication to ensuring that your children are as well cared for as possible. These last two terms have been the strangest in anyone's careers but the team of staff have gone above and beyond to ensure that despite everything going on and the constraints placed on us, the children continue to feel happy and safe in school as well as enjoying their learning.

I have no doubt that the school will continue to go from strength to strength under the leadership of Mr Alexander next term and wish everyone the best for the future.

Thank you all again for your continued support.

I would like to wish you all a Merry Christmas and a Happy New Year.

Kind regards

Laura Fair

Inspired by God, we aspire to be the best we can be so that we shall have life in all its fullness.
