

EYFS Home Learning

Reception and Nursery will start home learning tomorrow (Tuesday 5th January)

The sessions will take place over Zoom, followed with an activity which can be found on our webpage www.stacksteads.lancs.sch.uk (classes)

The Zoom sessions will be approximately 15 minutes long and can be accessed, alongside the activities, via a mobile device, tablet or laptop.

A Zoom link will be emailed to you this afternoon.

Below is the timetable we will follow each day. Please help your child to access all of the sessions 5 minutes early and the follow up activities.

All children are required to access our online sessions.

9.30 Reception Phonics

10.30 Nursery Activity

11.30 Reception Maths

1.00 Nursery Story

2.00 Reception Story

Reception Children

We sent a 'Home learning pack' in their book bags last term to support any online learning. If you have misplaced this they can be printed from the webpage or they can be collected from the school office between **2pm-2.30pm** today. It would be very helpful if you could also provide them with paper and a pencil for them to work on during our zoom sessions.

This week there will only be one Reception zoom link while Miss Jackson holds her parents meetings.

Please make sure the children access Teach your Monster to Read (phonics) and Active Learn (reading books) daily. We will monitor this and change their books and activities. We can send their username & password again if required.

If you have any queries or problems accessing the sessions or work set, or you do not receive your email, please send an email to eyfs@stacksteads.lancs.sch.uk. We will be available all day through email so please contact us on this rather than the school office.

Thank you for your patience and support during this time.
