4<sup>th</sup> January 2021

Dear parent / carer,

We are currently making plans in school in case the Government announce a full lockdown.

### REMOTE LEARNING

This will be implemented by 10 am on the first day of lockdown so please make sure you have a Showbie account. As most staff will be in school teaching vulnerable and critical worker children, we will ensure that staff are available at key times across the day to provide feedback online. Work on Showbie will reflect what is being taught in school to ensure consistency. We have a limited number of data cards in school if anyone has restricted internet use, please get in touch if we can help with this.

### VULNERABLE AND CRITICAL WORKER CHILDREN

We will be able to allocate a reduced number of places for some children and a survey monkey will be sent out to prioritise these places. If this could be completed by TUESDAY 5<sup>th</sup> JANUARY (12 o'clock). To ensure the safety of staff and pupils places will be limited and allocated based on strict criteria as outlined on survey monkey.

I apologise for the short notice but we are trying to make plans whilst awaiting Government instruction. If a lockdown is announced, the safest place for your child is at home to reduce the transmissions within households and the community. I appreciate your support during this difficult time, and hope your families stay safe.

Kind regards,

*Mrs C Smith*
