With faith, we care, share and learn together.

Monday 4th January 2021 9.00pm

Dear Parents & Carers

Following the Government announcement at 8.00pm this evening, school will be closed to most children with immediate effect. I apologise sincerely for the last-minute nature of this news, and I know it will cause great disappointment for the children and inconvenience for families.

We have returned to the situation we faced last March during the first National lockdown. This means we can only offer school places to children of parents who are keyworkers.

If you are a keyworker and your child needs a school place tomorrow, I will be at the school gate from 8.30am.

I suggest you supply a packed lunch as I do not know yet if school meals will be available.

I will be at school from 7.30am tomorrow morning if you need to talk to me by phone.

There will certainly be further guidance and clarification issued later this week. I will keep you informed as far as possible as this guidance arrives.

For home-learning please use the links on the school website to access suitable age-related content. Teachers will update this online provision regularly.

All pupils have logins for Purple Mash and I will have these emailed to you as soon as possible for you to use this large suite of pupil activities at home.

I sincerely hope that these measures are short-lived and we can welcome all the children back to school very soon. In the meantime, thank you for your understanding and support.

As always, if you need to chat about anything at all, please let me know.

Geoff Wharton
