

Dear parents, sorry for the delay in sending this e-mail but the school texting and e-mail system has crashed due to the high demand from schools across the country.

Due to the latest announcement from the government tonight and after detailed consultation with schools in the local cluster Kilham School will be closed to all pupils tomorrow Tuesday 5<sup>th</sup> January 2021. The school will be using this time to organise the eligibility and provision for all of the children of the new key worker list and vulnerable pupils.

We appreciate that this will cause significant disruption for some parents in the short term, however, this will allow us to plan suitable provision to meet the needs of all pupils, families and staff during this enforced lockdown.
