5th January 2021

Dear Parent / Carer,

Following the announcement from the Prime Minister last night, the staff have worked tirelessly today allocating places for vulnerable children and children of critical workers who cannot work from home. To ensure the safety of staff and pupils places were limited and allocated based on strict criteria for those most in need. All places to start on Wednesday 6th January 2021 have now been confirmed. If you have not received confirmation then we were unable to offer your child a place.

I would like to take this opportunity to remind you that the safest place for your child is at home to reduce the transmissions within households and the community and reassure you that remote learning will reflect what is being taught in school to ensure consistency.

The academy will be offering food hampers to children eligible for means tested free school meals where they are not attending school. These will need to be collected weekly from school. Eligible children will be contacted directly.

I appreciate your support during this difficult time, and hope your families stay safe.

Kind regards,

Mrs C Smith
