

# Ballot Paper: Election of Parent Governor

School: **ST JOHN BOSCO CATHOLIC PRIMARY SCHOOL** Election date: **23<sup>rd</sup> January 2021**

**Please tick one box for your chosen candidate and return to school by 12.00pm on 23<sup>rd</sup> January 2021**

## Name of Candidate

**Andrew Faulkner – Pupil in Year 2 Class**

As a past pupil (22 years ago) and my daughter currently in Year 2 I understand the ethos and values this great family school has to offer each child in their development.

I hold a senior Industrial Engineering role in a train manufacturing company. I focus on connecting & operating the business through digitalisation which in this current climate is essential in all industries including education.

As a STEM ambassador I value learning through making it fun & interesting for all children.

It would be an honour to represent the parents and school in supporting our children's education.

## Name of Candidate

**John Brogan – Pupil in Year 2 Class**

I would be grateful if you would consider me for the position of parent governor. My son Max is currently in Year 2 at St John Bosco and I've lived in Maghull for most of my life, starting with attending Deyes High School and then moving to Maghull after University.

St John Bosco have played (and continue to play!) such an important role in my son's development and I've been incredibly impressed with how the school have managed and conducted themselves during the COVID-19 pandemic, I would love the opportunity to contribute my time and experience at a governance level.

## Name of Candidate

**Paul Mulrooney – Pupil in Year 1, Year 4 and Year 6 Classes**

I am passionate about ensuring that children of all abilities are given the opportunity to reach their potential. I will act as a transparent link between the parents and the leadership team, highlighting any concerns and asking difficult questions where necessary. The happiness and wellbeing of the children would be my priority.

I would welcome the opportunity to play a part in the continued success of the school, for the benefit of all the children who are fortunate enough to attend now, or in the future.

## Name of Candidate

**Lisa Wilson – Pupil in Year 2 Class**

I have a daughter in Y2, and a son due to start Reception next September. I value education and want my children to be happy as well as achieve their potential.

I feel proud and fortunate to be a parent at the school; which has remained a source of stability for our children despite the difficulties faced this year.

I would love the opportunity to become a parent governor: not only to ensure the parent voice is represented but also to support our school in continuing to offer, our children, the best education and opportunities possible.

## Name of Candidate

**Katie Giles – Pupil in Year 6 & Year 1 Class**

I am the proud parent of Archie and Violet.

I have a number of years' experience in higher education, and have a deep respect and passion for education. I feel strongly that a solid primary education and positive experience is vital, as the foundation for the children's future learning and shaping of children's confidence and outlook towards school.

It would be my privilege to work together with the governors and school and to offer a voice of challenge when needed, in order to provide the best educational experience and make the most of all opportunities available to the children.

## Name of Candidate

**Kathryn Owens – Pupil in Reception Class**

I am married to Paul, and we have a daughter Rosa in reception. I have had a strong Catholic upbringing and remain a practising Catholic.

For 20 years I have worked for Merseyside Police. I have a wealth of knowledge/experience and transferrable skills regarding the safeguarding of children, particularly those vulnerable.

I will be a committed, active and enthusiastic Parent Governor, to support a positive, fun, enjoyable environment, to aid learning and personal development of all children. Providing a link between the Governors, parents, children, church and the community. I am not afraid to challenge, where appropriate.
