

Friday, January 8th, 2021.

Dear parents / carers,

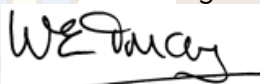

I hesitate to wish you all a Happy New Year! WHAT a start to the year!

Anyway, to try to keep some things as normal as possible, below are few things to share with you.

-  Please remember to apply for a reception place for your child for September 2021 if you haven't already done so. You need to do this even if your child is in our nursery and the closing date is 15.01.21.
-  If you have a child who turns three this term, you can apply for a place in our nursery for them to start after Easter.
-  We have updated our risk assessment for the current partial closure. You will find a copy on the CORONAVIRUS link on the school's website.
-  Most families are doing really well with the home learning. I think we are all much better at this than we were last March!
-  Joe Wicks is starting his YouTube PE sessions again next week. These were great last time round, and are well worth doing – children and grown ups too! He will be leading the sessions on Mondays, Wednesdays and Fridays from 11.01.21.

Take care of yourselves during these incredibly difficult times.

Yours sincerely,

Ms W E Tracey
Headteacher

Let's hope it improves as it goes on!!!
