Dear Parent / Carer

I need to clear up some confusion regarding work being done in school by those children attending during 'Lockdown'. Pupils will be taught by teachers, and teaching assistants, from their own class groups, and will complete the same tasks that have been set for those at home. They will have lessons covering the whole curriculum. If we have high numbers of children in the classroom they may not be involved in the two half hour live team sessions with the class teacher. They will still be involved in educational activities.

School will phone parents if we don't have contact with children from our Teams meetings. This will be to check they can join us, and to maintain their well-being. On the first day of our live team sessions we had 97% of the children successfully join us.

I'm afraid we won't be able to re-open the Breakfast and Afterschool Clubs for at least the next two weeks. I apologise again for the inconvenience.

We will be able to begin serving school dinners from Monday. Those children in school will be able to have a school meal, if they usually have one. Packed lunch children will need to bring them in as usual.

Can I remind parents who require a school place for their child because they are a Key Worker, to email the office each week before 1:30pm Friday with their requirements for the following week.

Yours sincerely

I Southern
Headteacher
