Dear Parents/Carers of Nursery children in Acorn class (15 hours funded Nursery),

Re: Nursery during closure

Thank you for supporting your child's education during this lockdown – we appreciate how challenging it can be to engage young Nursery children in remote education online so it has been fantastic to see so many of you joining in.

At the end of last week the Government guidance was updated to say that Nurseries should be open, as you may be aware this has caused concern amongst many people and is being discussed by various people and experts. Ealing Local Authority is waiting to issue us further advice and guidance to us to support any wider opening to Nursery.

Therefore, for the time being, Remote Learning will continue for Nursery – if this changes we will contact you. (Any Nursery child already attending our provision since last week should continue).

We really look forward to having you all back safely, as soon as we can, until then please stay safe.

Yours faithfully,

Karen Kondo
Headteacher
