Bubble Awards

The following Pupils were recognised for their efforts in their Bubbles last week.

EYFS Bubble—Renzo Allen

LKS2 Bubble—Khaliya Todd

KS1 Bubble—Amie Maude

UKS2 Bubble—Skye Hanson

Home Learning Awards

From this week we will be choosing our Home Learning Stars of the week too. Teachers are monitoring work on Purple Mash and also work sent via the class emails. Please make sure your work is sent to teachers as you complete it—you've got to be in it, to win it.

Staffing

Miss Woolsey left us at the end of the Autumn Term. Miss Woolsey has been with us for just over 4 years and has supported children across all areas of the school as well as Breakfast Club. Miss Woolsey is taking a different career path; we will miss her in school but we wish her the best of luck for the future. When we reopen, Miss Kelsey will be working with Year 1 and Mrs Hinks will be at Breakfast Club.

Mr Lamb is also embarking on a new career path and will leave our school this week. Mr Lamb joined the school in September 2019 and has been our Year 5 teacher since this time. Mr Lamb has been a key member of the staff team and we will miss him in school.

We have arranged a Zoom meeting for **Year 5** to say farewell to Mr Lamb. This will be on Wednesday 13th January at 10:30am. The Zoom link will be sent to Y5 via Purple Mash.

Parental Support

Thank you all for your support for the school and staff whilst we established our provision at such short notice. Please do email or telephone the school if you feel we can support you with anything.

Please remember to email teachers via the class email if you are experiencing problems with the home learning. We can arrange a suitable time for a call to assist you/your child.

Uploading Work

iPhone—Scan with Notes

If you have an iPhone, you may have seen on social media that you can scan your child's work in to forward to their class teacher. The instructions are as follows:

Notes provides an efficient, but not highly featured document scanner.

1. Launch Notes.
2. Create a new note or select an existing one.
3. Tap the camera button and select *Scan Documents*.
4. With the document beneath the camera, try to get it as level and square as possible. If the Auto setting is on (the word Auto appears in the upper-right corner), Notes captures a page whenever it detects a document. This lets you auto-scan by swapping out pages beneath the camera or pointing the camera at a series of pages. You can also tap the shutter button in Auto mode, or tap *Auto* to switch to Manual after which you must tap the shutter button to capture a document.
5. In Auto mode, documents are captured and keystone correction applied. In Manual mode, you can adjust the corners of a document, and then tap *Retake* or *Keep Scan*. (Keystoning is the effect of a rectangle appearing to be a different shape when not captured—or projected as with a slide projector—absolutely squarely.)

Keeping Active!

Joe Wicks PE Sessions

PE With Joe was brought back on 11th January. These sessions are available to watch on YouTube.

To get access to the videos, all you have to do is go to Joe's YouTube channel: The Body Coach TV and the live video will start.

The live videos will be held on Mondays, Wednesdays and Fridays, all from 9am.

CBBC Bitesize Timetable

As a third national lockdown is under way, the BBC is bringing hundreds of educational resources together to help with home-schooling.

Whether on TV, online or on social media, they have lots of brilliant content to help you learn at home.

On TV

- Starting on Monday 11 January, CBBC will broadcast three hours of primary school programmes from 9am every weekday. They will include BBC Bitesize Daily, as well as other much-loved shows with an educational twist, such as Our School, Celebrity Supply Teacher, Horrible Histories and more. Bitesize Daily Primary and Secondary will also air every day on BBC Red Button, and episodes will be available on demand on BBC iPlayer.

Online

Of course, BBC Bitesize is here with lots of easy-to-follow lessons for home learning, as well as collections of resources for all ages.

Primary kids at home?

Help them keep up with our straightforward lessons in Maths and English. Developed by educational consultants, these Learning at Home lessons are curriculum-based and self-contained.
