Welcome back!

We hope you are managing the new norm which is juggling your own work with that of your child's/children's and getting used to this way of organising your day. It has been a quick adjustment but from school's perspective, a successful one.

I know teachers have been holding Zoom meetings for both children and parents, to 'check in' and offer support if and when needed. However, I am conscious that I haven't seen any parents other than those who are sending their children to school so I will be holding two parents meetings (One for each Key Stage) as an opportunity to chat about our experiences of Home learning, to share what is difficult and more importantly to celebrate what works well. We will PING the dates and times early next week.

You've all made a fantastic start to this way of working, see below.

[Great engagement with remote learning from our children and families:](#)

Year Group	Percentage
YR	97%
Y1	96%
Y2	94%
Y3	100%
Y4	90%
Y5	94%
Y6	97%

Thank you for your on-going support, together we are a great team.

Key Worker and Vulnerable children Provision

We have enjoyed 8 days in school with our children and have put our updated Risk Assessment on the website for you to read.

However, today, we have had our first report of a POSITIVE case and as such had to ask some children to isolate.

We wish that family a speedy recovery.

Have a lovely weekend!
