NURSERY UPDATE

Dear Parents and Carers

We have now received clarification from the local authority regarding the opening of school based nurseries and in line with this our nursery class will remain open as normal throughout the current lockdown.

If you wish to send your child to nursery for their normal hours please do so. If you have not chosen to attend by Friday and would like to keep your child at home then we will deliver their home learning packs to you to support you in their home learning. If you choose to send your child to nursery we will expect them to attend every day to give them continuity and to allow us to plan staffing.

You will also receive a weekly email with daily activities for your child to do based on the learning the children are doing in school. Please email and let us know how your child gets on with these activities.

Your child's targets were sent home just before the Christmas holiday, please keep working on these with your child at home.

In line with our early years curriculum of learning through play please continue to support your child's learning through reading stories, play based activities and speaking and listening games as we would in school.

There are some on line resources for you if you would like to use them with links on our school website:

Miss Carr and I will be recording some more story sessions over the next few weeks, but there are some stories that we and other staff have already recorded on our school website if you would like your child to listen to them:

If you have any questions or would like your child to come back into nursery please email me at nursery@hallcroft.notts.sch.uk

I will be in touch by phone at the beginning of next week, but please ring school and leave a message, or email if you would like to speak to me before then and I will get back to you as soon as possible.

Thank you

Mrs Babenko
