We are writing this letter to convey our huge appreciation and thanks for your kind and generous donation over the Christmas period for our Food and Toy Shed. We really value the time and effort you gave in helping us support and bless such a huge amount of people during this challenging time. We've been able to help families dealing with bereavement, families with children with special needs and families who have lost their jobs during this time.

Just one of many examples of the affect this has had is from a social worker who delivered presents/food to a mother who was really struggling over Christmas. The mother gave the presents to her son on Christmas day to which her son was very emotional and crying saying "Thank you so much, I know you can't afford presents this Christmas so thank you so much" This in turn made the mother emotional and both were hugely appreciative.

With your help we've been able to distribute over 1500 bags of food in December alone. We've been able to bless over 150 families this Christmas with presents for over 500 children who otherwise wouldn't have received anything. We've been able to give out roughly 1500 presents.

So again we just want to convey a huge thank you for supporting and donating to us. We really couldn't operate on the same scale without the kind and generous gifts you have given us over the Christmas period. Thanks again for your continued and future support All the best from the team here at Food Shed and Toy Shed

Kind regards
