Executive Headteacher – Mrs. M. R. Buckley

Head of School – Mr. R. Bhatti

Dear Parents,

We are getting more and more requests for children to come back to school and we know that some of this is because it is incredibly difficult to home school. We feel for you and all the teachers are doing their best to support you.

The government guidelines clearly say that if children can be at home they should be in order to stop the transmission of the virus and get us out of this mess as quickly as possible.

In consultation with governors we have decided that we will have to review the status of the families who are attending school. This may mean that I will have to ask for evidence that both parents are critical workers and where they are not, places will have to be withdrawn.

I realise that this will be an unpopular policy but I have the health and safety of all our staff to consider.

Yours sincerely

Martine Buckley
