### Welcome back!

Another great week of learning. Thank you to the Key Stage 2 parents who attended the meeting on Wednesday. Don't worry if you couldn't make it – you can watch the recorded meeting, by using the link we sent you via PING. We would like to hold another meeting in 2 weeks time. Like our Remote Learning offer, we are at the start of something which we are all 'getting used to' and so we envisage our meetings to evolve too, becoming specific on issues which may arise, offering possible solutions, then reviewing those actions and measuring the impact.

We will have the meeting for Key Stage 1 parents next **Wednesday 27.01.2021 at 6-7pm**. The link for that has been sent via PING today. Please can we ask all parents to send your feedback to us using the Questionnaire link. It is important to us that we know how you are finding things. We cannot help or address any challenges if we don't know. As always we are really grateful to you for your support and feedback.

[Great engagement with remote learning from our children and families:](#)

Year Group	Percentage
YR	100%
Y1	100%
Y2	94%
Y3	100%
Y4	97%
Y5	97%
Y6	93%

Thank you for your on-going support, together we are a great team.

Spring 1 Week 3 – 22nd January 2021

**Have a lovely weekend and please stay safe!**

### Celebrations

A very big well done to the following children who have been chosen by their class teacher for great progress with their

**Remote Learning work** this week.

#### Infants

**Reception** – [Rohan Hardy](#)

for trying so hard with his work in school.

**Year 1** - [Matty Waterworth](#)

Superb writing using conjunctions in his 'Lost' Dogger poster.

**Year 2** – [Liam Hardy](#)

Detailed account of what happened when Rosa Parks got on the bus.

#### Juniors

**Year 3** – [Joey Gillibrand](#)

for his computer-generated image of Pompeii and for trying very hard with all his home learning.

**Year 4** – [Abeera Irfan](#)

for working tremendously on her Power Maths work.

**Year 5** – [Vinny Bracek](#)

Working more independently at home and has shown great improvement in his Power Maths, developing his understanding of formal division methods.

**Year 6** – [Bailey Hall](#)

for applying himself and being enthusiastic and engaged with all of his work.

#### Times Tables Rockstars Challenges

Mr Breslin will be looking through TTRS and reporting children who have caught his eye each week. This week he would like to report:

the **FASTEST children**: (all of whom are less than a second per question)

0.51 – Daniel Armstrong & Liam McCreesh Year 6

0.65 – Jenson Holcroft Year 4

0.74 – Reece Stones Year 6

0.75 - Patrick Coogan Year 5

0.80 – Archer Wilson Year 4
