NEWSLETTER FOR WEEK COMMENCING
25th January 2021

We will be continuing with the same arrangements in school as we have since Christmas. High numbers of children are still attending in Reception, and infant classes. It is becoming increasingly difficult to teach the children, in school, all that has been put on the school website, with staff involved in Teams lessons, and answering emails during the day.

We continue to be delighted at the high rates of participation of children at home in relation to our remote learning. The work we have been seeing has been great. There will continue to be Special Mention assemblies on Fridays during Teams lessons.

The same information and advice is coming from the DfE and local authority that, when possible, children need to remain at home, however if you do need an essential worker place for your child, please email the school office as soon as possible, or at the very latest before 1:30pm Friday, for the following weeks requirements. Please also inform school if you no longer require the place for any reason.

It continues to be very cold in school at the moment, please make sure your child wears warm clothing each day.

Please find below an information sheet from NHS Bolton CCG which includes helpful facts and where to find useful support information.

Please use the school website www.stsaviourschool.com for any missed letters. To log into the online payment system click on the following link <https://www.sims-pay.co.uk> Subscribe to receive our weekly newsletter by email or download our mobile app, where you can find info about Newsletters, Calendar Dates, latest news and photos. The app is available from the Google Play Store and the App Store, search for School Jotter. Follow us on Facebook & Twitter at @stsaviource.

If you need to change any information we hold for your child ie contact information, consents, please contact the school office.

SPECIAL MENTION

Well done to the following children who have worked hard last week in school
Reception-Christopher, Class 1-Ben W, Class 2-Keira,
Class 3-Ben , Class 4-Kayla Class 5-Louie, Class 6-Kian

Update: 22nd January, 2021

The roll out of the Covid-19 vaccine is continuing to gather pace across Bolton with more and more eligible people taking up the invitation to be protected against this potentially-fatal virus. People will have questions about getting the vaccination and this update includes links to useful resources to help answer these, as well as ways you can help to share the message about the importance of the vaccine.
