

26 January 2021

## Weekly letter

Dear parents and carers

This week began after the first large snowfall that we have seen for a long time. Children have enjoyed telling us of the fun they had at home, sledging and making snowmen. The fun continued in school yesterday where the small number of children enjoyed a whole field of untouched snow. Years 5 & 6 enjoyed a team snowman challenge for their PE lessons!

### Computing skills

Following their training sessions on the training day on January 4<sup>th</sup>, our teachers will be developing the children's programming skills this term. Most classes will use the Scratch website ([scratch.mit.edu](https://scratch.mit.edu)) for this and individual logins for children were emailed to parents yesterday (January 25<sup>th</sup>) from our remote learning support account, [classroom-help@someriesjuniorschool.co.uk](mailto:classroom-help@someriesjuniorschool.co.uk). Please could you pass these on to your child.

### Year 3 Maths guide for parents – multiplication and division

This 10-minute video quick-guide for parents, produced by our staff, is now available on the Year 3 page of our website:

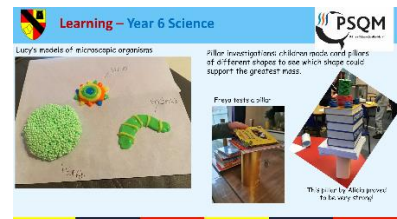

[www.someriesjuniorschool.co.uk/school-life/year-3](https://www.someriesjuniorschool.co.uk/school-life/year-3)

### Celebration Assembly – more lockdown learning

Last Friday, we had more good work on show in our Celebration Assembly slides which you can view here:
