5th February 2021

Good afternoon,

I hope you are all well and keeping safe? I start this newsletter with a plea.

*This week we have had our first pupils test positive for COVID and this has meant that two classes are having to isolate for 10 days. These children didn't display the stereotypical symptoms but did have a sore throat. One of the new variant's symptoms now appear to be a sore throat so if your child has a sore throat or is feeling ill **please keep your child home and have them tested as soon as possible**. Your support and the staff's rigorous cleaning of the environment have meant our children have been previously free of COVID throughout the lockdown periods so please be vigilant and help us to limit the spread of this virus.*

REMOTE LEARNING

We want to continue to celebrate the hard work of our children, both at home and in school. Teachers have selected some examples of amazing remote learning and they are show cased at the end of this newsletter.

NON SCREEN FRIDAY

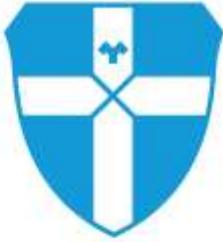

On Friday 12th February the whole school will be taking part in non-screen Friday. As a school we have been conscious of the amount of time pupils and staff have been on their computers, laptops, phones and tablets. On Friday activities will be set that mean we will be limiting the amount of time online by completing activities around the house and in the garden. We will send more details next week so please look out for Non-Screen Friday.

IPADS

This week our ICT Support services have been working together to prepare the ipads ready for the staff and pupils. We hope that these will be ready soon so we can share them to support remote learning. We will send out further information on this during the next couple of days. I hope you are as excited as staff are?

TIME TO TALK DAY

CANON JOHNSON C OF E PRIMARY SCHOOL

CANON JOHNSON CofE Primary School

Yesterday was Time to Talk day across the country. Classes across the school took more time to allow pupils to talk to each other or discuss the lesson's work. Please take time this weekend to talk to your children about their experiences of home and school life and please send your thoughts to me at school.

PUPIL/STAFF/PARENT GUIDELINES

After supporting the pupils during the past two weeks, we have created some guidelines to ensure lessons can run smoothly and we can keep pupils safe online. Please follow these to help the staff lead the online learning:

- Pupils must be dressed appropriately
- Children should be working in a safe, appropriate environment (not lying in bed)
- Lessons must not be recorded or photographed
- All comments that are being posted on the live chat are about the learning.
- Pupils must not create their own meetings. Meetings will be created by teachers if needed.
- Don't worry if your internet connection fails or if your computer crashes. All work / activities will be saved in the files section.

NATIONAL LOCKDOWN

Please can I ask that everyone follow the strict guidelines that have been put in place for our safety. Hopefully, if we can follow these guidelines we will be able to return after the February half term. I completely understand the stresses and strains at this time and please email me if you need anything at all. Below are the latest guidelines issued for this lockdown. Please follow them so we can keep everyone safe.

You should follow this guidance immediately. This is [the law](#).

Leaving home

You must not leave, or be outside of your home except where necessary. You may leave the home to:

- shop for basic necessities, for you or a vulnerable person
- go to work, or provide voluntary or charitable services, if you cannot reasonably do so from home

Canon Johnson C of E Primary School is part of Forward As One CE Academy Trust

Registered in England & Wales. Registered office: Newnham Street, Bolton, BL1 8QA. Company Number: 08212263.

CANON JOHNSON CofE Primary School

- exercise with your household (or support bubble) or one other person, this should be limited to once per day, and you should not travel outside your local area.
- meet your [support bubble](#) or [childcare bubble](#) where necessary, but only if you are legally permitted to form one
- seek medical assistance or avoid injury, illness or risk of harm (including domestic abuse)
- attend education or childcare - for those eligible

If you do leave home for a permitted reason, you should always stay local - unless it is necessary to go further, for example to go to work. Stay local means stay in the village, town, or part of the city where you live.

If you are [clinically extremely vulnerable](#) you are advised to only go out for medical appointments, exercise or if it is essential. We recommend that you do not attend work

Meeting others

You cannot leave your home to meet socially with anyone you do not live with or are not in a [support bubble](#) with (if you are legally permitted to form one).

You may exercise on your own, with one other person, or with your household or support bubble. This should be limited to once per day, and you should not travel outside your local area.

You cannot meet other people you do not live with, or have not formed a support bubble with, unless for a permitted reason.

[Stay 2 metres apart](#) from anyone not in your household.

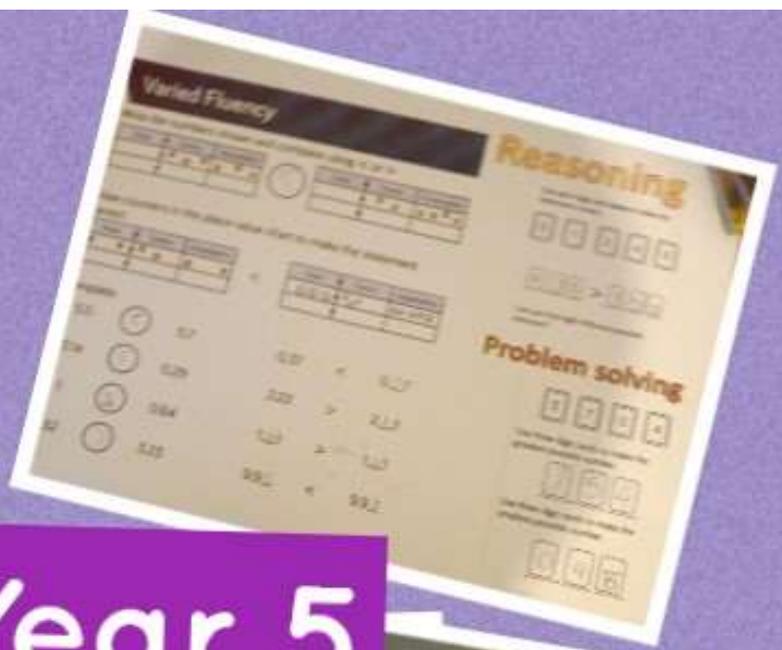

FREE MOBILE DATA

We still have a few data sim cards available from the school office .

Have a great weekend and look forward to speaking to you soon.

APES

Apes are primates that do not have tails. There are two groups. The great apes are humans, Central Africa's chimpanzee's and gorilla, and the orangutan of Borneo and Sumatra. The lesser apes are the 16 gibbon species, which are smaller than their great ape cousins.

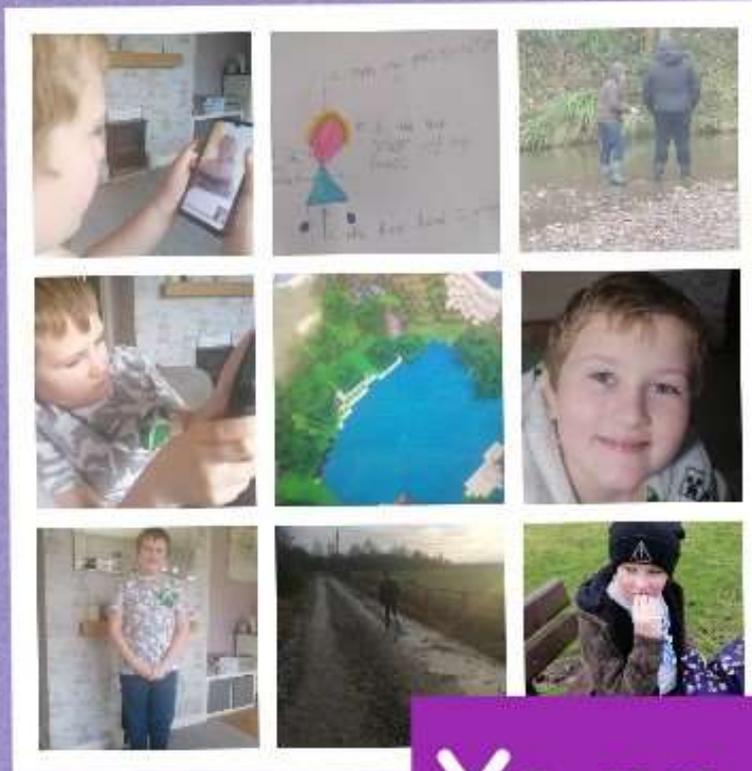

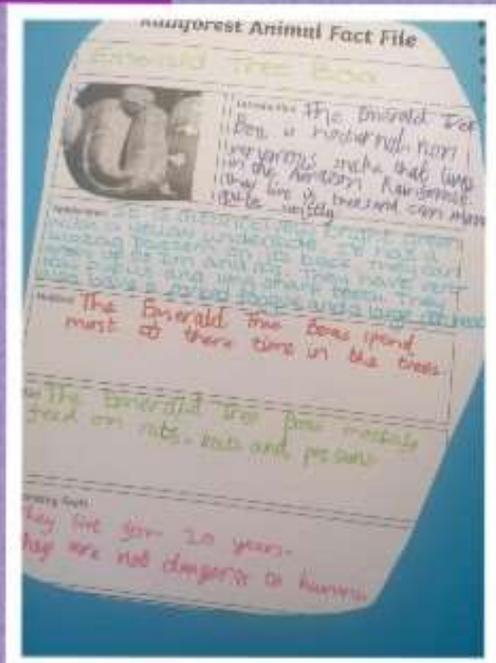

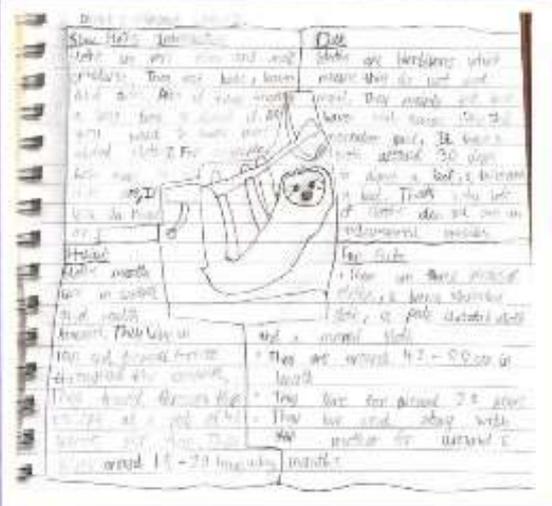

What do apes look like

All seven species of great apes share the following characteristics: no tail, a large skull with a large brain, a curved spine and an opposable or prehensile thumb. Like the chimpanzee, which is at home in central Africa and known
