

## Kingfishers Class Newsletter 5<sup>th</sup> February 2021

*Love • Kindness • Self-Belief • Aspiration*

### What have we learned this week?

This week in phonics, we have been looking at alternative sounds. We have covered '**ea in bread, a in what and a in angel**'. Tricky words we have covered in reading have been: **where, again, who**. Tricky words we have covered in writing have been: **little, there and were**.

In maths, we have been learning about the place value of numbers up to 40. We looked at partitioning the numbers into their tens and ones as well as how to represent them pictorially.

In English, the children have been planning, writing and publishing their nonfiction texts all about the Antarctic. They have all produced some super pieces of writing!

This week has been our art week, the children have been creating a range of Antarctica themed art pieces which used a range of techniques.

### Next week

We will be learning alternative pronunciations for **y (igh), ch ( c ) and c (sh)**. Our tricky words will be: **one, do, so**.

Our Live Zoom sessions are continuing next week: at 9.10am and 10:30 am.

Please continue to upload learning to Google Classroom: Early Bird Maths, Maths, English, Handwriting, Reading and Learning Mission.

### A message for the children

Well done to everyone who has given some of the art work a go! It has been super to see, I look forward to seeing the final pieces you have produced.

### Reminders

Please upload your home learning to Google Classroom each day.

Please read your Collins e-book in addition to the whole class reading task set each day. Please record when you have read with your child on the online reading record on Google Docs.

On Tuesday afternoons for the next two weeks, the children will be taking part in an online music session.

Have a go at the skip to be fit challenge!
