

MOSTON LANE COMMUNITY PRIMARY SCHOOL WEEKLY NEWSLETTER 5th February 2021

Weekly message to our Moston Lane Family:

I hope that all of our Moston Lane families are continuing to stay safe and are all doing ok.

We have a week to go until half term- keep going!

As a school, from next week we are going to start "Screen Free Friday"- please see the information below and keep an eye out on your child's Google Classroom for updates.

Take care,
Mrs Kerton

At Moston Lane, we recognise the importance of the health and well-being of our children and families. Currently, children are completing all of their learning through screens and we are aware that this is not how they would learn normally and that many of them would spend less time on technology during a day.

With this in mind, we will be introducing **Screen Free Friday**, starting Friday 12th February. Every Friday, your child's teacher will provide a list of challenges and activities that do not require a device to complete such as baking, reading, drawing, playing and most importantly, being together. We hope that you can enjoy these suggestions as a family and we look forward to seeing photographs of your adventures!
