New Year = New Challenges

This week has been full of twists and turns. For most it has felt like more than a week and has been full of challenges. Once again, the St. Anne's community spirit has shone.

I want to say thank you. Thank You to our fantastic staff for delivering both a new, virtual school experience and providing critical worker provision in school. Thank you to our amazing parents - your support, kind words and encouragement have meant the world to us. Thank you to our pupils - you make everything worthwhile.

We wish you a safe and healthy new year. Our prayer is that, when it is safe, we will all be together again soon.

May our Lord Jesus Christ himself and God our Father, who loved us and by his grace gave us eternal encouragement and good hope, encourage your hearts and strengthen you in every good deed and word.

2 Thessalonians 2:16-17

Music Lessons

Year 2 and Year 5 instrument lessons start next week. Please remember to complete the consent forms and collect your child's instrument from the school office. I believe the Y2 and Y5 parents might start their own band sessions with their children's instruments! I look forward to 'hearing' how you all get on.
