Feedback on Home Learning

Thank you to all the parents who completed the online survey - 51 families responded.

Thanks also to the parents who attended the virtual meeting with Mr Speedie.

The overriding response was 'don't change anything'; everyone agreed that communication with the class teachers is effective and the vast majority feel that remote learning is supporting your child. Zoom lessons were the most popular sessions and the majority feel their child gets the right amount of learning. There were a few suggestions that we have responded to - PE with Mr Martin and Celebration Assembly for next week has been split into EYFS/KS1 and KS2 so that Year 2 do not miss out (more details to follow)! For those parents who gave more specific feedback about their child, we will contact you to discuss needs. We will share the full feedback next week on the school website.

Mr Martin's Live PE Session

(our very own Joe Wicks)

You asked. We listened. A few parents have suggested a live St. Anne's PE session so we have added it to our wellbeing Wednesday. Please join us Wednesday at 1pm for our first ever, virtual PE with Mr Martin! The session will last approximately 20 minutes.

Laptops

We have been able to provide a number of families with devices due to the support of local families and our wonderful church. We are expecting a delivery of donated laptops from Trafford LA next week. If you are still struggling with devices or children are sharing, please let me know.

Worship @ St. Anne's

Our church of St Anne's remains open (public worship is still allowed during this lockdown) and we now have a special service in the building aimed at children and their carers.

It's a positive, life affirming time with upbeat music (you are encouraged to dance and clap), time to pray, hear a bible story and do a simple craft.

Each household sits in their own pew. Adults are asked to wear face coverings.

We start at 12 noon every Sunday; the service lasts about 35 minutes.

Come and receive some joy this lockdown. Sunbeams on Sunday is also being live streamed on

Children's Mental Health Week

Next week is Children's Mental Health Week, 1-7 February 2021. This year's theme is Express Yourself. Expressing yourself is about finding ways to share feelings, thoughts, or ideas, through creativity. We will be completing a range of learning activities linked to this AND having a **DRESS TO EXPRESS DAY** on Friday 5th February.
