## Safer Internet Day

Tuesday 9<sup>th</sup> February

On Tuesday, our pupils will be completing a number of learning activities linked to Safer Internet Day.

The theme of this year's day is 'What to trust online?'

As part of the day we will be sharing the schools 'Acceptable Use Policy' (AUP) and both children and parents will be asked to sign this policy. There is one aimed at KS1 and another at KS2.

The children will also be encouraged to follow the Digital 5 A Day when online -

<https://www.childrenscommissioner.gov.uk/digital/5-a-day/>

Please look at these AUPs with your children and use it as an opportunity to have an open discussion about internet safety.
