Week Ending 05.02.21

Dear Parents/Carers

We have made it to the end of another week of home schooling and again I must congratulate you on the fantastic job you are doing! Your children are coping remarkably well with learning remotely and this is down to your commitment, hard work and encouragement of their efforts. The teachers are very appreciative of this as they understand how difficult it is to run a home, look after the children and keep them motivated to learn in an out of school environment. Keep doing what you are doing and hopefully we will be able to let you know soon, when we will be able to take all children back in to school.

We took delivery of 30 laptops from Crowlands this week and have distributed these to children who were on our waiting list for a device. We have a few still available, so if you need a laptop for your child, please contact the office.

Thank you for all the words of appreciation you have been giving your teachers when they call, it keeps spirits high and it means a great deal to all of us. We know the government has mentioned the date for wider opening of schools as March 8th and as soon as we know more details we will let you know. We are not expecting all children to come back on this date, we believe it will be a phased return, but these decisions are out of our control unfortunately.

It has been Children's Mental Health Week and teachers have posted lots of activities that support positive mental health and the children have been responding well and submitting really thoughtful work. Remember, being outside in the fresh air does wonders for all of us, so please do spend time outdoors and away from your screens. We might even see snow this weekend!

Have a great weekend

Mrs Connolly and Mrs McClenaghan

Stars of the week

Class	Star	Class	Star
Squirrels	Abyad	Crocodiles	Ruby
Mice	Bella	Penguins	Bobby
Hedgehogs	Phoebe	Canaries	Absar
Foxes	Pip	Dolphins	Calum
