NEWSLETTER FOR WEEK COMMENCING  
8<sup>th</sup> February 2021

Can I start by thanking parents for keeping us informed when they no longer need a booked essential worker place for their child on a given day. This is making it easier to accommodate children who are in school.

We have 60 plus children, each day, again this week in school. The advice remains the same, if there is someone who can have a child on a given day they should do so. Thank you to parents for keeping their children at home wherever possible.

Can I remind parents of the importance of emailing school if you need an essential worker place for your child. This is to ensure we are able to plan staff accordingly for the numbers we have in each class. If you know your requirements for the week after half-term, please let us know before Friday, however, we understand this may not be the case, therefore please just email school as soon as possible.

There has been no further news regarding schools complete re-opening after half term. When we get this, we will pass it on. It means that the breakfast, and afterschool club, will not open immediately after half term, again, when we have news about the club, we will let parents know.

Thank you to everyone who took part in our mental health awareness week. People entered into it brilliantly. Thanks again!

If you wish to change your child's school meal arrangements for next term please email the office before Thursday this week.

I updated parents of children in Year 3 & 4 last week with situation regarding our Anderton Centre Residential. A copy of the letter is on our website, under 'Parents - Letters Home'.

A reminder for parents to continue to send children in to school in warm clothes. The forecast this week looks to be very cold.

Parents were emailed with their unique user login for the school mobile jotter app in November & December. We will stop using the Teachers2Parents text messaging service from the end of March. To continue to receive important messages from school you will need the school mobile jotter app. We have, initially, only emailed the priority one contact for each pupil, however both parents are able to have their own login if they wish. If you didn't receive your login please email school.

Please use the school website [www.stsaviourschool.com](http://www.stsaviourschool.com) for any missed letters. To log into the online payment system click on the following link <https://www.sims-pay.co.uk> Subscribe to receive our weekly newsletter by email or download our mobile app, where you can find info about Newsletters, messages from school, Calendar Dates, latest news and photos. The app is available from the Google Play Store and the App Store, search for School Jotter. Follow us on Facebook & Twitter at @stsaviource.

*If you need to change any information we hold for your child ie contact information, consents, please contact the school office.*

**SPECIAL MENTION** -Well done to the following children who have worked hard last week in school  
Reception-Larnie, Class 1-Alysia, Class 2-Alex Class 3-Jack BN,  
Class 4-Arthur, Class 5-Tyler, Class 6-Zee
