Congratulations to Mrs Pearce who has passed Level 3 Forest Schools training during the lockdown. We look forward to you passing your skills on to the children when the weather improves.

We hope you all have a restful half term break. Thank you for supporting your children in their online learning. We have all been so impressed with how well they have adapted to this new way of learning.

Please could we ask that you contact us via email at covid@netherthongprimary.co.uk if you receive a positive covid-19 test result during the half term break to enable us to continue our contact tracing.

Please also remember to complete the RSE survey sent out via email last week.

Fruitful Learning

We were delighted to receive a delivery of fruit trees from 'Orchard Projects' which gives free fruit trees to schools who apply for them. We hope to grow a small orchard near the benches in the big play ground. The development of the orchard will offer learning opportunities in maths, science and literacy learn as well as providing health and wellbeing benefits together with the obvious positive environmental impact. They are an all-round educational resource.
