To all of the children at Hill View Junior Academy

Hello! I hope you are all safe and well and managed to enjoy the snow this week. I have been told that Sunderland doesn't always get a lot of snow so I would imagine you have all been excited to have seen so much in the last few days. I know that the children who have been in school have taken the opportunity to make snowballs and snowmen on the yard. For those of you at home, your teachers have told me that you have sent in some great photos to show your own fun in the snow.

I know this half term has been very different again and we have not been together as a school. We are all really missing you and can't wait to see you all. As I am still new to the school, I am really looking forward to getting to know you all more and see you all around school. It seems very quiet outside of my office and as you walk through our school. The school definitely needs your smiley, happy faces back again!

Your teachers have been so very proud of the commitment you have shown to your learning and have spoken to me and Mrs Ross about how hard you have all been working. I just wanted to say a huge well done and thank you for taking on your new way of learning so incredibly well. You are all a huge credit to our school.

I want to wish you all a great half term next week. You all thoroughly deserve to take a week away from your iPad and work and have lots of fun with your family. Please make sure you relax and take part in lots of lovely activities. The weather forecast for next week is good (sorry no snow though) so enjoy the 'Sunderland sunshine' and take the opportunity to get out of the house and take lots of exercise as well.

I very much look forward to next half term when hopefully we can all be reunited. In the meantime make sure you all look after yourselves and keep safe and well.

Mrs Sutton – your very proud Headteacher
