

Robins Class Newsletter 12th February 2021

Love • Kindness • Self-Belief • Aspiration

What have we learned this week?

Just like that, it's the end of Spring 1! We understand that this has been a challenging half term but we are so proud of everything that our children have achieved whether at home or at school. They have kept their smiles on their faces and tried their absolute best. The children have loved learning about Chinese New Year this week – it has been wonderful to see their dragons, lanterns and retellings of The Great Race!

This week in phonics, we have gone back over **oo, ar, or, ur** and **ow**. It is really important that children practice all phase 3 sounds and look to spot them in words and books: **sh, ch, th, qu, ng, ai, ee, igh, oa, oo, ar, ow, oi, ur, or, ear, air, ure, er**. Tricky words should be learned by sight – please practice: **he she we me be you are was all are her they my**.

In Maths we have continued to learn about number 9 – the children are becoming SO confident with using objects to explore numbers and find different ways to make them.

After half term

After half term, we will be continuing with our daily timetable of Live Zoom sessions: 9.15am Phonics, 11.30am Maths.

Tapestry challenges and any interventions/extra support will be uploaded the night before. .

A message for the children

We know that this has been a different half term and that you are all missing your Robins friends.

You have all been absolute superstars and have continued to be kind and try your best – we are so proud of you.

Have lots of fun and get lots of rest over the half term. We can't wait to see you all soon xx

Reminders

Over the half term, please read your child's Big Cat reading book with them regularly so that they are building their reading fluency.
