Welcome back!

Well, we have come to the end of our half term of Remote Learning.

Well done everyone, children, parents and teachers. There is no work being set over half term, however we would like you to mark the beginning of the season of **LENT**. Lent begins next week with Ash Wednesday on 17th February (half term). Check PING for the [Mission Together Lenten Calendar](#) which has been sent out today. Mrs Melling will also share our fundraising plans in the first week back after half term, along with a template for the children to make a Lenten promise, so look out for that.

Thank you to all who attended the Parents meeting on **Wednesday 10th February**. If you couldn't make it then don't worry, you can catch it again as the link has been sent out today via PING together with the parent questionnaire.

Please find attached to this newsletter, a letter from the Local Authority, with ideas and initiatives you may find useful for over half term.
