

# Calling all Parents/Carers... Community Learning and Skills

You're not on your own with home learning...

Cumbria County Council's Community Learning and Skills are hosting online sessions where you can chat to other parents/carers with children currently home learning. Are you missing the chance to chat with other parents/carers at the school gate? This is an online opportunity to catch up with others and to find out where to get support.

Our experienced team will be available throughout the session to help you.

Why not join us?
