

CARLTON MINIOTT PRIMARY ACADEMY

Dates for your diary 2021

- 12th February - school closes for Half-Term for Key Worker pupils
- 22nd February - School re-opens for Key Worker pupils

THANK YOU!

As we have now reached Half Term I wanted to take this opportunity to say a big "Thank You" to all for the work you have put in to support your children with their learning. The staff have been very impressed with the work the children have done and we understand it is not easy for those parents who are also trying to work at home. Hopefully it will not be for much longer. Next week is Half Term so please give your children a rest from their school work and spend time relaxing and getting outdoors where possible. For those key worker children attending school we will re-open on Monday 22nd February.

World book day is the on the 4th March this year which, unfortunately, takes place during this lockdown. We will be sending out details of online activities children can get involved in and some digital book tokens to spend. More details will be sent after Half Term.

However, we would like to hold a competition that you may like to start over the Half Term holiday. It is called 'Book in a Shoebox'. We would like the children to build a scene in a shoe box to represent a favourite book. They can use any materials they like to do this. Once finished take a photo and email it to your child's teacher with the name of the book they have chosen. Mrs Mallett will judge the winner in each class on World Book Day. Those children who are in school will be able to bring theirs into school on World Book Day.

Well-Being

Elevate have produced a Well-being guide for parents to support you and your family. Please find it attached to this Newsletter.

CARLTON MINIOTT PRIMARY ACADEMY

School Lunches

This is a reminder that if you decide to order school lunches for the term and you find your child does not like a particular meal, you are able to go in and change your choices, so that your child does not need to have that meal the next time it appears in the menu cycle.

Teams - Video Calling

There are more and more opportunities at present where pupils in school and pupils at home are able to interact with each other on school video calls, as a way of supporting their well-being.

If, for any reason, you do not want your child in school to be seen by the children out of school then please do let us know.

More information can be found on the school website:-
