“I hope that we all will live Lent well, following Jesus and carrying within us a ray of his love for all those we meet.”

Pope Francis

“Lent is a favourable season for deepening our spiritual life through fasting, prayer and charitable giving.”

Pope Francis.

We can all say if there is anything we would like to start or stop doing this Lent and then make a Lenten promise. Perhaps we could: give up just five or ten minutes of TV, computer or social media time each day and use that time for extra prayer; make sure to read God’s Word in the Bible or in The Wednesday Word each week; go to Church together; fast from a meal or snack and give the money saved to charity.

Our new virtue is Charity

How do we Practise Charity? We can show our love for God, who has given us the gift of love, by spending time with God in times of quiet reflection, prayer and worship. We also show our love for God by the way we love others. We love others by caring for them and treating them with tenderness. We also show our loving concern for those we do not know by charitable works and wanting the best for them.

Sacramental preparation.

I will be asking parents to message me if you would like your child to receive the Sacraments of First Holy Communion and Confirmation later on this school year.

As you can appreciate, all preparation classes are on hold at the moment, but I will update you when we can start the preparation.
Thank you.

I hope you all have a lovely week.

God Bless
