

Driffield Junior School

Dear Parents and Carers,

The children have worked hard during this period of remote learning but as I'm sure you will agree it's just not the same as being in school. One of the experiences that we had planned for them was a Victorian day in school where the children are able to experience school as it would have been 150 years ago. Pupils take part in Victorian style lessons and will see and use the same equipment as Victorian children did. As the children really enjoy this day we have decided to run it when we get back to school on Friday 12th March (our first Friday back).

To make the day really special, everyone is invited to dress in Victorian style (staff included). We don't want to cause any extra stress at an already difficult time so we have included a guide as to what the Victorians would have worn and some suggestions as to how to adapt clothes you may already have at home. It isn't necessary to buy anything new. The children will wear their Victorian clothes all day; there is no need to bring school uniform to change into.

Yours sincerely

Mrs H Mudd
Year group leader

Driffield Junior School
