

On Thursday 4th March 2021 it is World Book Day!

To celebrate it this year we are hosting a virtual competition. There are two tasks that you can do to take part but **only one can be entered per child**. You can choose which one you would like to do!

Wednesday 3rd March will become

Well-being Wednesday World Book Day

and some time will be allocated for you to complete the task during this day.

One task is to create a **story jar** filled with objects and items from a **book of your choice**.

The other task that you could choose is to create a **book character out of a potato** (a bit like the egg competition that we run at Easter).

You can find some examples of both on the next page to give you an idea.

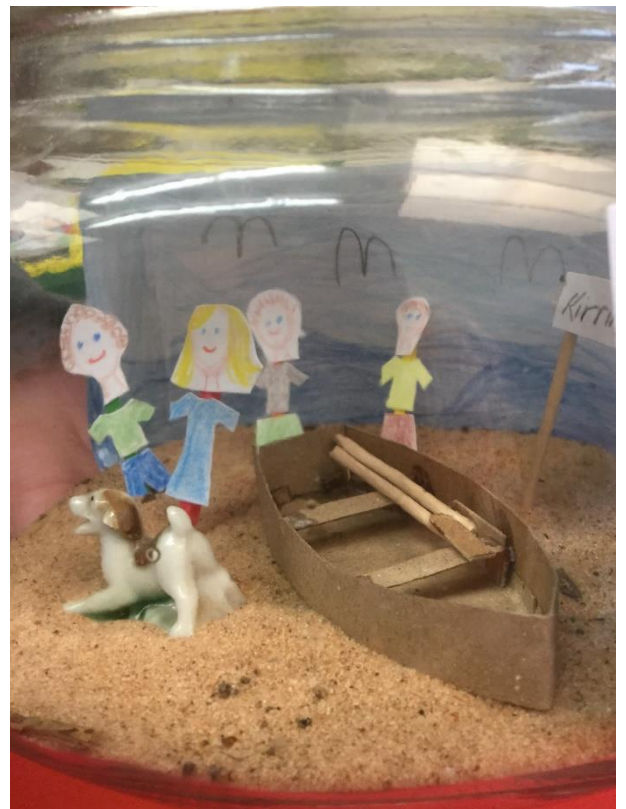

There will be a winner from each class and each winner will get to choose a book of their choice up to the value of £10.

Please email your competition entries to your year group email address by the following Wednesday, 10th March. The winners will then be announced soon after.

If you have any questions, please email me on y5@stacksteads.lancs.sch.uk or contact me via the school office.
