Children's Mental Health Week

Thanks to all the children who participated in Children's Mental Health week. It was lovely to see all the bright outfits in school and remotely. If anyone would like to drop off their express yourself artwork into school we will quarantine it and then put it up on our display board .

The winners of the competition are -

EYFS Toby

Year 1/2 Erin

Year 3/4 Eddy

Well done to everyone who entered .

Buddy Bench

We received a lovely donation at Christmas and School Council member Seth came up with the fabulous idea of buying a buddy bench for the playground. This will be a safe spot for anyone who is feeling a little lonely and would like someone to play with to sit, and an indication for other children to go over and speak to them and ask them if they would like to join in with their games.

At the moment it looks a little boring though, so Miss Vickers has launched a competition to submit a design for the bench. The winning design will be judged by the school council and bought to life by our very talented TAs! The closing date is Friday 12th March more details and the template for the design can be found on DOJO along with a brilliant letter from Arthur explaining the project and some design ideas

Internet Safety.

With remote learning now a key factor in our children's learning internet safety is more important than ever.

Please find a couple of links to help you and your child to keep safe
