*'From strong roots we grow and blossom'*

26<sup>th</sup> February 2021

Dear Parents/Carers

Following the recent government's announcement about schools re-opening, I am delighted to send this letter through to all parents. Wood Bank will be open to all children (except those who are still advised to shield) on Monday 8<sup>th</sup> March. Transport have been informed.

If your child has been given a shielding letter or advised by a doctor/medical professional to shield, it is still important for them to **remain at home** until this shielding advice has been lifted. We will be in contact with those families and will work with you to find the right level of support moving forwards.

Some of you may be feeling anxious about sending your child into school after this long period at home. Please talk to your child's class teacher if you have any concerns. 95% of staff in school have now received their first vaccination, and the risk assessment has been updated to ensure all measures and controls are in place (see website for latest risk assessment.)

Finally, the team at Wood Bank appreciate the positive feedback and encouragement you have shared over the last few months and we are looking forward to seeing all of our children back with us very soon.

Yours Sincerely

Jenna Port  
Acting Headteacher
