Welcome back!

We have had a successful first week back after half term, despite receiving the very shocking and upsetting news of Mr Breslin's diagnosis. Thank you for your emails, wishing him well and all your prayers. I have passed them on to him as he begins his chemotherapy treatment today. I'm sure all your thoughts, words and prayers will help him through.

We look forward to welcoming all our children back on Monday 8th March. Next week, we will send out a letter via Ping giving details of returning to school and the revised Risk Assessment will be put on the website.

Lent Fundraiser

This week we have launched our Lent Fundraiser. The teachers have set a task on Seesaw and asked the children to get involved with Mission Together's 'Lent Quest'. The idea is that the children are sponsored to complete 10 Lent/Spring tasks and are being encouraged to enter their favourite photograph into a class competition. We would appreciate your support in helping the children to find sponsors and make their donations. They have until Easter to complete the tasks. Mission Together is a Catholic Charity that supports children in difficult circumstances all over the world. Please send your donations to them personally using the link below: <https://missiontogether.org.uk/donate-now/>

World Book Day – Thursday 4th March.

Children can come to school dressed from head to toe in one colour of their choice. If children are at home please feel free to join in and upload your outfit to SeeSaw and we can print them out and put on our school display. It is linked to the story of MIXED by Arree Chung. See SeeSaw for details.
