26th February 2021  
Issue 20

Dear Parents,

It is all systems go as we prepare to welcome back all our pupils on 8th March. We are so glad that we will have our school family back together again! Safety continues to be our first priority and we are doing all we can to ensure that the pupils, staff and families stay safe whilst on our school site. You will receive information about where to go at the start and end of day and what time your child should start school. We recognise that, whilst it is wonderful they can come back to school, there may also be some worries and anxieties for both the children and parents. For some of our pupils, it has been a long time since they have been in the classroom and they might be feeling a little nervous. Please try not to worry—we will look after them and I am sure by playtime it will be as though they've never been away!

**Please remember that when you are on school site you must wear a face covering.  
You will not be allowed on school site unless you are wearing one.**

Next week is World Book Day and we have lots of lovely things for you to enjoy and take part in whether you are at home or at school. Don't forget about Wellbeing Wednesday either—make sure you switch off your screens on Wednesday afternoons and do something lovely. The sunshine might even be out!

Take care, thank you for your continued support.

Mrs Bowser

## The Masked Reader

If you watched The Masked Singer you'll know all about this! Throughout the day, you'll be able to see your teachers sharing their favourite books on Facebook. However, they will be masked! Can you work out who the teacher is from the clues?

**World Book Day Activities  
Thursday 4th March**

**Potato Challenge**  
Can you change a boring old potato into Harry Potter? Or what about the Gruffalo or the Hungry Caterpillar? Maybe use your creative skills to carve out The Lighthouse Keepers Cat or Captain Underpants! Use your imaginations to turn a potato into a book character. Bring your potatoes in to school or take photos and put them onto Class Dojo.  
Have fun!

## Become an Illustrator!

We are inviting children to become illustrators. After watching these stories, children can design their own picture to show their favourite part of the story. Please take a photo and upload them onto Class Dojo. There are prizes to be won!
